REMARKS

50X1-HUM

1. There was little flying over the Trausdorf (P 48/X 55) airfield between 6 and 8 November 1950. No more than six single-engine fighters were in the air at the same time.
 2. All Eisenstadt quarters were still occupied by the air force. the 300 men who arrived at the field on 30 September 1950 represented an addition, since no shipments were seen leaving the field.
 3. The following motor vehicles were seen: eleven tank trucks entered and left the Trausdorf airfield; seven trucks and two passenger cars two motor vehicles and two passenger cars Twenty-five motor vehicles including fourteen trucks and nine tank trucks were seen at the Kattner Settlement. *
- * Comment. The occupation of Trausdorf had not changed when compared with preceding months, except for the arrival of personnel who were probably recruits. Two regiments of the 9th Gds Ftr Div are still believed to be stationed in Trausdorf.
